Matanot MiLibeinu - Fran Rosenfield's-Gifts from the Heart

At this time of year our TAS community continues the tradition of providing holiday gifts to the many children who are victims of neglect, abuse, poverty & disability.

Help make this holiday season a little brighter for these deserving children. We would appreciate your participation and encourage involvement in any of the ways below:

- Pick a child and sign your name on the **Fran Rosenfield's-Gifts from the Heart** board in the hallway of the synagogue. Please follow the instructions on the board, and place your unwrapped gifts in the box provided by December 7th.
- “Adopt A Family” by providing food and gifts to families in need. This is a great activity for your Havurah, youth group or family.
- Please join us for our TAS “Wrap Party” on Wednesday, December 9th beginning at 5PM. Once again, June & Michael Levine have graciously invited us to use their home to organize and distribute the holiday gifts to the many organizations with whom TAS is partnering. Please confirm your attendance and whether you would like to join us for dinner, as we need to have an accurate head count.

During this holiday season especially, a little giving will go a long way. Thank you for your interest and support of this worthwhile project. It meant a lot to Frann and continues to be an important part of our holiday mitzvot.
