## NOMINATIONS FOR THE SISTERHOOD BOARD

It is Nomination Time and I am honored to be chairing the Nominating Committee for the Sisterhood Board this year. Thanks to Sharon Janis, Ellen Pollack, Eileen Roseman, and Robyn Blachman who are serving with me on this year's Nominating Committee. We could use one more person on the committee, so feel free to volunteer. Or even better, make the committee's job easy by calling one of them and saying you would be willing a part of the team that makes the Sisterhood's many programs happen. They will find a position that suits your abilities and amount of time you are willing to commit.

The Sisterhood board is a dynamic group of women and we would love to have you as part of the board. There are also many opportunities for chairing programs, fundraisers, spiritual days and more. Please contact me if you have questions about the various board positions and job descriptions. Remember, you are never alone in our Sisterhood. We are a team and we help one another. We are stronger together. Thank you for your continued support of Sisterhood.

## ONEG SPONSORSHIP

Is there an event, a person or a memory you would like to honor in a special way?

Are you celebrating a birthday or an anniversary? Have you experienced a career change, a graduation or a new home? Are there people in your life you want to pay special tribute to, or would you like to honor the memory of loved ones?

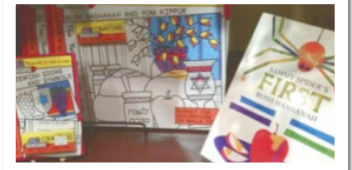

If you want to celebrate, to honor or to remember, please consider marking the occasion by sponsoring an Oneg Shabbat. We would like to share the time with you, hear the story behind the sponsorship and help you make the occasion a bit more special. In addition, your sponsorship will go a long way to support the work of the Sisterhood for our Temple, our youth and the Jewish community.

If you have questions or are interested in sponsoring an Oneg, please contact the Temple Office at: (818) 360-2258.

## EXTENDED KIDDUSH

Has the cost of Bar/Bat Mitzvah receptions got you down? Sisterhood can provide a low cost luncheon after your child's Bar or Bat Mitzvah for your family and friends. This is not the big shebang with a DJ and dancing – it's a low key way to provide a nice meal after the service for your guests. Contact Sharon Janis at (818) 886-1295 if you are interested.

## JUDAICA SHOP

Stop by the temple Judaica shop, brought to you by Sisterhood, and view our latest treasures! See our wonderful selection of holiday items to enhance your celebrations. Throughout the year we carry a versatile collection of Judaica – jewelry, tallits, kippahs, mezuzahs, yads, candleholders, yahrzeit memorials, cards for every occasion and more!

We are open during Shabbat evening onegs, on Sundays from 9 am to 11:45 am (when Sunday School is in session) and Wednesdays 10 am - Noon.

Special appointments? With pleasure! Call Laraine Miller at (818) 993-0796 or Linda Sculler at (818) 701-7117. Credit cards, checks and cash accepted. Shop proceeds help fund the many Sisterhood projects and services provided to the temple.

## COUPONS FOR MILITARY FAMILIES

TAS Sisterhood sends boxes of coupons to overseas bases. The coupons went to Japan, to the Air Force/Marine Unit and to the Navy. The families appreciate the coupons, as prices are very high overseas.

Thank you for cutting and sorting your coupons. They should be sorted into envelopes and labeled "FOOD" and "NOT FOOD" This makes it more convenient for the recipients to find what they need.

... CONTINUED ON PAGE 8

The boxes sent are the very largest Flat Rate. These go to an APO, therefore we pay domestic postage. The boxes are stuffed as full as possible, and several pounds of coupons make their way to those who need them.

While they do accept expired coupons, all coupons must be cut. Sheets of uncut coupons cannot be sent out and will be recycled. Volunteers who can cut coupons are welcome. If you have any questions or would like to volunteer to cut coupons, please call Mel Birken at (818) 366-2397.

## THE MARCH BOOK GROUP FEATURES **BOYS IN THE BOAT: NINE AMERICANS AND THEIR EPIC QUEST FOR GOLD AT THE 1936 BERLIN OLYMPICS** BY DANIEL JAMES BROWN

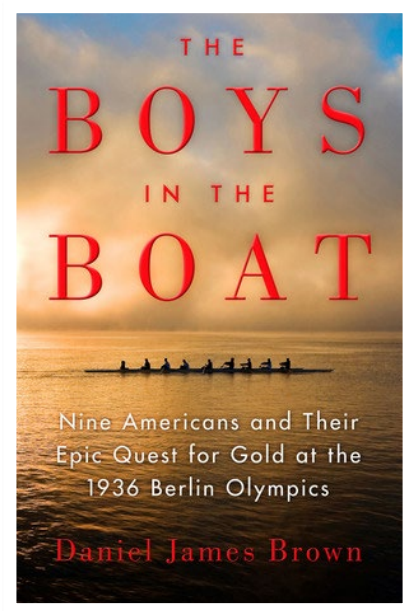

The #1 *New York Times*-bestselling story about American Olympic triumph in Nazi Germany.

How did nine working-class boys from the American West make it to the 1936 Olympics in Berlin? This amazing story tells how they came to represent the best America has to offer in strength and determination against impossible odds. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain. Yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler.

The book outlines the tale of the men and the wonderful boats that carried them through all of the trials and tribulations on their journey to the Olympics. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-esteem but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest. In addition to Joe, you will meet some other interesting young men. You will also learn about the sport and how all the pieces come together to make the men and their boat one.

A fascinating story you will thoroughly enjoy.

Sherry Lucks will facilitate our discussion on Thursday, March 10. Refreshments are available in the Rothenberg Library/Chapel at 7:00 p.m. and the discussion begins promptly at 7:30 p.m. A \$5 per person donation is requested. Join us even if you have not read the book, this should be a very interesting and informative discussion about an important time in American history.

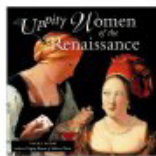

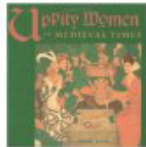

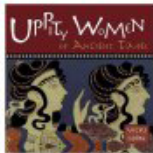

Everyone Welcome!

## PRESIDENT'S MESSAGE

### *“You Make It Happen”*

Have you ever wondered how MoTAS does everything that it does? How we can take the initiative and repair and upgrade the Social Hall kitchen? How we can fund scholarships for your children to go to camp and on L'Taken? How we can support

the Caring Community, outreach to Alumni, and support special activities of the Religious School? How we can acquire, serve, and cook food at the Purim Carnival and Shabbabaques? How we can support TAS Social Action partners and MRJ outreach to Jews on college campuses? How we can, every year, make a significant contribution to the TAS General Operating fund? The answer is simple. **You make it happen.**

**You make it happen** every time you volunteer at a MoTAS event. **You make it happen** every time you bring

a foursome to the MoTAS Golf Tournament or bid in our silent auction. You make it happen every time you sponsor or underwrite a MoTAS activity. **You make it happen** every time you donate to MoTAS and support our annual appeal. **You make it happen** when you buy sports squares or contribute to the Kitchen Challenge. **You make it happen** by participating.

Right now, you have the opportunity to continue to make it happen. MoTAS has no dues — we depend on those who see value in MoTAS to contribute to our **Annual Appeal**, which is running from the MoTAS Shabbat in January until the end of April. Also during this time, MoTAS is running the **Kitchen Challenge**, where you can help MoTAS bring to Social Hall kitchen to the same level of excellence as the Social Hall. Contribute to both at <http://support.tasnorthridge-motas.org/>. March also brings the NCAA Championships, and with that, **Basketball Squares**. Get your square today at <http://squares.tasnorthridge-motas.org/>. Remember that we depend on you to make it happen.

We invite you to comment on this message. Just visit <http://wp.tasnorthridge-motas.org/2016/02/20/you-make-it-happen/>

## NCAA BASKETBALL SQUARES

You know MoTAS by many names: the Men of TAS, the TAS Men's Club, or the Brotherhood. They all represent the same thing: the group of men who provide service to TAS. MoTAS Spring Sports Squares program has a similarly shifting name. Whether we call it Basketball Squares, March Madness Squares, or NCAA Championship Squares – it all represents the same thing: the Spring installment of our Sports Squares program that helps numerous temple programs.

The procedure is very similar to the Superbowl Squares. Basketball Squares cover the last four games in the NCAA championship: the semifinal and final games on April 2-4, 2016. Squares are \$18, and adults may purchase up to 3 squares for themselves, and 3 squares for their partner. Payouts are \$150 for both the halftime and final scores of each game. You can win once or twice in a game. If the board is not fully subscribed, the payout is proportional

based on the number of subscribed squares. To address the possibility that all 100 squares might not be subscribed, the following is the procedure for empty squares that win: each player will make a guess as to what the total number of points will be (i.e., you add the final scores of both teams). This number will be used to settle all cases, for all games. If you purchase more than one square your “number” will apply for all your squares. Closest to actual score wins (payouts divided with ties). If there is no halftime winner, the final score prediction will still be used.

Squares must be purchased by March 30, 2016. Forms should be available in the Temple Foyer. You can also print the registration form -- or register online -- at the usual online home of the Squares program: <http://squares.tasnorthridge-motas.org/>. Remember that the real winner is Temple Ahavat Shalom. With a fully subscribed board, \$900 will be available to support specific temple activities, organizations, and projects.

**Superbowl Squares Grants.** The grants from the 2016 Super

Bowl Squares program will be announced after the press deadline for the *Menorah*. Look for the announcement in the MoTAS weekly, which is emailed to all men in the congregation and posted at <http://www.tasnorthridge-motas.org/>. Anticipated grants from the Super Bowl and Basketball Squares, if fully subscribed, may include the Alumni Committee, Camperships, Emergency Backpacks for the Religious School, the Avodah Program, the Caring Community, and some surprise ideas.

## 2016 MAN OF THE YEAR

At the MRJ Regional Man of the Year Dinner on Saturday, March 5, 2016, TAS's Man of the Year, Barry Mann, is being honored. Barry has served as the chair of the Golf Tournament for the last two years – a task involving lots of time and work. Barry has also served as Treasurer of MoTAS and as a MoTAS Vice President. If you did not sign up for the dinner, we encourage you to congratulate Barry the next time you see him. Even better: Show how much you appreciate his hard work on behalf of MoTAS by saying “yes” when he asks you to sponsor or bring a foursome to the 2016 Golf Tournament.

## UPCOMING ACTIVITIES

### KITCHEN CHALLENGE

MoTAS is challenging you to help improve the Social Hall kitchen. Depending on how much we raise, we'll be replacing failing refrigerators and freezers, improving the airflow in the kitchen, improving kitchen fire protection, repairing appliances, improving the floor in the kitchen, and establishing a fund for future maintenance. We have matching grants from the MoTAS reserves, the TAS board, and MoTAS members. As of mid-February, we've raised over \$10,000 (including grants). That's not enough to do what needs to be done. A quality kitchen will be the jewel in the crown of our Social Hall. This program needs your support. More information may be found at <http://wp.tasnorthridge-motas.org/about/support-motas/2016-kitchen-challenge/>.

## MOTAS ANNUAL APPEAL

At the end of January, MoTAS started its Annual Appeal effort. This appeal is very important, for MoTAS has no membership dues. Being a man, and being a member of TAS

automatically make you a member of MoTAS. Further, TAS does not financially support MoTAS, so the dues you pay to TAS are not indirect dues to MoTAS. MoTAS survives on your contributions — they provide the funds that permit MoTAS to do many of our activities over the year. We urge you to participate in the MoTAS Annual Appeal at a level that is comfortable to you. Numbers are suggested on forms, but what is truly important is to demonstrate that MoTAS and TAS are important through your participation. To support MoTAS, visit <http://support.tasnorthridge-motas.org/>. We thank you in advance for your contributions; contributions \$100 or over will be acknowledged on our Wall of Honor.

## SPEAKERS PROGRAM

Due to the Purim Carnival, we have moved the March meeting up one week to March 6, 2016. Our speaker in March will be Rosalyn Kahn on “Reducing Stress”. Rosalyn writes: “What if there is way that you could turn stress into your friend vs your enemy. This is not a fantasy ....this is reality. Come out and listen to Rosalyn Kahn sharing the research from Shawn Anchor a leading researcher on Happiness and Kelly McGonigal's talk Stress is Your Friend as well as her own experience from her book on Random Acts of Kindness are Changing the World.”

As always, before the speaker, we will have our scrumptious MoTAS breakfast and our review of upcoming activities. Join us at 8:45 a.m. for Breakfast, with the event review starting at 9:00 a.m. The speaker starts at 10:00 a.m.

## MEN'S HANG OUT WITH THE RABBI

On Sunday, March 13, 2016 at 6:00 p.m. we're going to be having a very special Mens Only Hang Out and Discussion Group — we'll be hanging out and talking with Rabbi Lutz. We thank Rabbi Lutz for providing this opportunity, and encourage the men in the congregation to come and

discuss issues that are unique to men. Dave Friedman, our event coordinator, is working up some special discussion topics for the evening — and remember, everything said during the meeting stays in the meeting. Additionally, we're going to be joining the Rabbi for dinner before the meeting with a Barbeque dinner from Stonefire Grill. Space is limited, so RSVP at <http://tinyurl.com/motas-2016-rabbi-hangout> or directly to Dave Friedman at (818) 970-7701 or [vp2@tasnorthridge-motas.org](mailto:vp2@tasnorthridge-motas.org) and mail your check for \$15 (made payable to Dave Friedman) to Dave Friedman at 19707 Buckeye Meadow Lane, Porter Ranch CA 91326. Dave will provide you the location of the hang out once your reservation is confirmed. This is a Mens Only event.

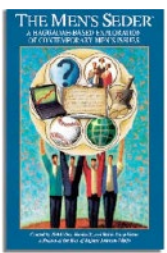

gefilte fish) -- as well as barbeque chicken and tri-tip from one of our favorite BBQs in Northridge (for what man doesn't love barbeque). The cost for the meal and the service is \$20. The schedule is as follows: 5:30 p.m. - sign-in and snacks; 6:00 p.m. - service and dinner. Visit <http://seder.tasnorthridge-motas.org> to reserve in advance and pay by check or at the door, or to pay online. Reservations are necessary and are due by noon on Monday, April 11. Please invite your brothers, fathers, uncles and friends to join you. TAS affiliation is NOT required for this event.

## PURIM CARNIVAL

Sunday, March 13, 2016, is the TAS Purim Carnival. Who needs food trucks when you have the Men of TAS! MoTAS will be back at the grill, cooking hot dogs and hamburgers in addition to our usual options. We need volunteers to help with shopping, to help with setup, and to help with cleanup afterwards. If you are available and willing to volunteer to help, please sign up at <http://tinyurl.com/motas-purim16>. This event is the last opportunity to earn **volunteer Mitzvah hours**. Students should sign up at the same URL.

## MOTAS MEN'S SEDER

On Sunday, April 17, 2016, join the Men of TAS at our annual Mens Seder. This special service and dinner, modeled after the traditional Passover Seder, provides a comfortable and 'safe' space for the men of TAS to explore and celebrate what it means to be a contemporary Jewish man. The text of our special haggadah, developed by MRJ and available at <http://www.menrj.org/mrj-mens-seder>, explores issues that pertain specifically to men; the service and dinner provides a place to take those issues, share them, discuss them, and wrestle with them.

Our Dinner will consist of traditional Passover foods -- water, wine, homemade charoset, and more (maybe even

## APRIL MEETING - YOM HASHOAH CANDLE PACKING

Join us at our April Membership meeting on Sunday, April 10, 2016, where we will assemble the Yom HaShoah candle package mailed to every household in the congregation. The Yom HaShoah Yellow Candle program was started by the Federation of Jewish Mens Club (FJMC) in remembrance of Yom HaShoah. We mail candles to permit you to remember the Shoah and visibly demonstrate that we will never forget what unbridled antisemitism can bring. This is especially important now, as we are seeing an increase in antisemitic violence both in Europe and in the US, and as we are losing the generation of Holocaust survivors. As always, we'll start with our MoTAS breakfast at 8:45 a.m., followed by an activity review at 9:00 a.m. and candle assembly around 9:30 a.m. For more information on the program, visit <http://wp.tasnorthridge-motas.org/activities/yom-hashoah-candles/>. When you receive your Yellow Candle, we encourage you to contribute to MoTAS to support this program, and to light your candle on Yom HaShoah, which starts the evening of Tuesday, May 3, 2016.

Note: As of press time, we were exploring an early box folding activity (i.e., packing candles into boxes) for students looking for volunteer Mitzvah hours towards camperships. If it occurs, this activity will likely be the weekend of March 5, 2016. Watch the MoTAS Weekly for further information.

## 2016 BASKETBALL SQUARES

The Men of Temple Ahavat Shalom (MoTAS) announce the 2016 edition of “Basketball Squares,” the NCAA Final Four version of our popular “Football Squares” game for the semifinal and final games in the NCAA Basketball Championships, April 2-4, 2016. The earnings from this program (potentially as much as \$900) are used to supports special Temple programs and needs; funding that is above and beyond money available from normal TAS budget allowances.

A brief reminder of how the game works:

1. There is a chart set up, numbers 0-9 across the top for the “home” team (the school located closer to TAS) and the “away” team, and the numbers are randomly arranged. There are 100 total squares on the board. Your \$18 contribution gives you one square in the grid. As the grid numbers are randomly selected, it makes no difference where your square is.
2. Payouts are \$150 for both the halftime and final scores of each game. You can win once or twice in a game. If the board is not fully subscribed, the payout is proportional based on the number of subscribed squares.
3. To address the possibility that all 100 squares might not be subscribed, the following is the procedure for empty squares that win: each player will make a guess as to what the total number of points both teams will score. This number will be used to settle all cases, for all games. If you purchase more than one square your “number” will apply for all your squares. Closest to actual score wins (payouts divided with ties). If there is no halftime winner, the final score prediction will still be used. For example: NCAA 73-59 = “132”
4. Any adult is eligible to play. A player can reserve up to 3 squares and up to 3 more for their partner/spouse.

Official rules, an on-line signup form, and printable signup forms are on the MoTAS website at <http://squares.tasnorthridge-motas.org>. **Payment must be received by Wednesday, March 30, 2016. Unpaid squares will be cancelled and made available to other participants.**

Your support of this program is greatly appreciated. You might win some money, but the Temple is the big winner! A warm “Thank you” from the Men of TAS.

## From the Desk of Barb Gelb, Director of Lifelong Learning

If you have spent any time looking around the TAS Education building this year, you have probably noticed some changes. As we prepare to transform from a preschool for ages 2 and up to a full service infant and toddler center for babies as young as six weeks, we have spent the year adding to and upgrading our facility to make it a safe, upbeat, a comfortable home for our littlest members. Our wonderful ECEC Director, Tessa Cramer, has worked diligently for many long hours, and the dream of opening an Infant Toddler Center (ITC) at TAS is about to become a reality.

One of the goals in creating the ITC is to give young families a Jewish daycare option that connects them to our wonderful synagogue community. The community that TAS offers is one that serves not only the children, but their parents as well. As young families join together for holiday celebrations or learning experiences, they find support and friendship. The isolation that some new parents feel can be avoided when they become part of a Temple community. Through the Temple community, you find that friends are looking out for you, offering help when needed, and celebrating in times of joy.

While the physical structure of the building has been upgraded, so have our opportunities for creating a stronger community. Throughout the year the ECEC has offered several events which have been well attended and have planted the seeds for lifelong relationships between the parents as well as the children. We have had several Bim Bam Bimah Shabbat Services and Nosh events with great participation. After a long week, we come together to sing and welcome Shabbat, and enjoy a light dinner while catching up with friends. We had a beautiful Shabbat dinner last week where over 125 friends enjoyed a sit down meal and learned a little more about Shabbat through our "Shabbat Boxes". We have had Mom's Rosh Chodesh events and Dad's Hang Out events. All of these activities build and strengthen the relationships between young families,

and connect them more deeply to our TAS community. We believe that these families represent the future of TAS, as well as that of the Jewish people.

As we build physically and spiritually, we are still in need of support from the rest of the TAS community. We are hopeful that you will take a look at our wish list and consider purchasing some of the items we still need in order to open our beautiful facility within the next two months. If you can help, please give Tessa a call at (818) 360-2258.

Whether you can donate or not, please come take a look at what we've done so far, please let your friends and colleagues know about us, and above all, please do your best to make sure that every young family feels welcome at TAS!

# RENTING AND SELLING NEW YORK CITY

As a licensed associate real estate broker in NYC, and former TAS member, I've had the privilege of helping TAS members and their friends and family to rent, buy, sell and invest in real estate in New York City.

Here's what my clients are saying:

*As a parent of a child going to college in New York, and not being able to see things for myself, it was comforting to know that Karen Stone could be my eyes and offer endless solutions and options to where our son would live. Karen's knowledge of New York, coupled with her intelligence for knowing the right questions to ask on the renter's behalf put my mind at ease. Her team is amazing, her ability to consider the best options, and her quick responses were exactly what was needed at a time of feeling helpless. I strongly recommend Karen Stone for your real estate needs, in any way. If she doesn't have the answers herself, she will go out of her way to find them for you and put your mind at ease.*
